

## Request for Teacher Recommendations

Dear \_\_\_\_\_:

Thank you for agreeing to write a college recommendation letter for me. After careful thought and consideration, I know that your observations and comments will greatly enhance my applications.

SJCP is using Naviance for the teacher recommendation process. Therefore, I have added you to my list of recommenders on Naviance and you should receive notification shortly. Naviance also provides an electronic version of the teacher recommendation form. Mrs. Anders has asked that you feel free to contact her should you have any trouble accessing the Naviance system. And please let me know if I can provide more information to assist you in your letter writing.
